

Inter-Parliamentary Union
For democracy. For everyone.

153rd IPU Assembly

Arusha,
United Republic of Tanzania
5–9 October 2026

Standing Committee on
Democracy and Human Rights

C-III/153/DR-am
28 September 2026

Inclusive social development for all: Parliamentary strategies to promote the rights and empowerment of persons with disabilities¹

Amendments to the draft resolution submitted within the statutory deadline by the delegations of Azerbaijan, Bahrain, Burkina Faso, Cambodia, Canada, Chad, China, Czechia, Finland, France, Germany, India, Indonesia, Iran (Islamic Republic of), Japan, Latvia, Lithuania, Malaysia, Russian Federation, Saudi Arabia, South Africa, South Sudan, Sweden, Switzerland, Ukraine, Viet Nam; Forum of Young Parliamentarians

TITLE OF THE RESOLUTION

Amend the title to read as follows:

~~Inclusive~~ Social development for all: Parliamentary strategies to promote the rights and empowerment of persons with disabilities

(Indonesia)

PREAMBULAR

Preambular paragraph 1

Amend to read as follows:

(1) *Noting* that there are 1.3 billion persons with disabilities globally, making up approximately 16% of the world's population, and *reaffirming* that the inclusion of persons with disabilities is a ~~matter of human rights~~, **right and a matter of human dignity**, equal citizenship, democratic representation, the rule of law and sustainable development, and not simply of social policy or welfare,

(Germany)

Amend to read as follows:

(1) *Noting* that there are 1.3 billion persons with disabilities globally, making up approximately 16% of the world's population, ~~and reaffirming~~ that the inclusion of persons with disabilities is a matter of human rights, human dignity, equal citizenship, democratic representation, the rule of law and sustainable development, and not simply of social policy or welfare, **and recognizing that the full enjoyment of rights by persons with disabilities is indispensable to achieving social development for all,**

(Indonesia)

¹ The title approved at the 151st Assembly used the term "people living with disabilities". The co-Rapporteurs propose to amend this to "persons with disabilities" to align with established usage, notably the terminology used in the Convention on the Rights of Persons with Disabilities. This amendment in English does not alter the title in French.

Amend to read as follows:

(1) Noting that there are 1.3 billion persons with disabilities globally, making up approximately 16% of the world's population, and *reaffirming* that the inclusion **and equal participation** of persons with disabilities is a matter of human rights, human dignity, equal citizenship, democratic representation, the rule of law and sustainable development, and not simply of social policy or welfare, **and is essential to building more inclusive societies,**

(South Africa)

Preambular paragraph 2

Amend to read as follows:

(2) *Recalling* the **Universal Declaration of Human Rights and the obligations of States Parties under the** 2006 United Nations Convention on the Rights of Persons with Disabilities (CRPD) and its Optional Protocol, **as well as the commitments of States under** other major international human rights instruments, including the ~~Universal Declaration of Human Rights,~~ the International Covenant on Civil and Political Rights, the International Covenant on Economic, Social and Cultural Rights, the Convention on the Rights of the Child and the Convention on the Elimination of All Forms of Discrimination against Women, ~~as well as~~ **and under** the 2030 Agenda for Sustainable Development,

(Saudi Arabia)

Amend to read as follows:

(2) *Recalling* the 2006 United Nations Convention on the Rights of Persons with Disabilities (CRPD), **for States party thereto**, and its Optional Protocol, **for States party thereto**, **and** other major international human rights instruments including the Universal Declaration of Human Rights, the International Covenant on Civil and Political Rights, the International Covenant on Economic, Social and Cultural Rights, the Convention on the Rights of the Child and the Convention on the Elimination of All Forms of Discrimination against Women, as well as the 2030 Agenda for Sustainable Development,

(India)

New preambular paragraphs 2bis, 2ter, 2quater and 2quinquies

Add four new paragraphs after preambular paragraph 2 to read as follows:

(2bis) *Recalling* Article 11 of the Convention on the Rights of Persons with Disabilities, according to which States Parties shall take all necessary measures to ensure the protection and safety of persons with disabilities in situations of risk, including situations of armed conflict, humanitarian emergencies and the occurrence of natural disasters, and UN Security Council resolution 2475 (2019) on the protection of persons with disabilities in situations of armed conflict,

(2ter) *Acknowledging* that, in States affected by terrorism, armed conflict and improvised explosive devices, a growing and often overlooked proportion of persons with disabilities acquired their disabilities as a result of such violence, whether as civilians, members of the defence and security forces, or volunteers contributing to the defence of their country, and that such persons and their families frequently lack a specific legal status, continuous medical care and opportunities for social and professional reintegration,

(2quater) *Deeply concerned* about the plight of persons with disabilities who are forced to flee their homes because of insecurity, armed conflict or natural disasters, who are among the last to be able to flee, are at greatest risk during displacement and are least likely to have access to assistance once displaced,

(2quinquies) *Noting* that systems for registering displaced persons rarely record disability, rendering persons with disabilities statistically invisible and effectively excluding them from humanitarian assistance and protection mechanisms,

(Burkina Faso)

Preambular paragraph 3

Amend to read as follows:

(3) *Underscoring* that the CRPD requires States Parties to ~~integrate~~ **take into account** the **protection and promotion of the human** rights of persons with disabilities ~~into~~ in all policies and programmes, ~~eliminate discriminatory laws and practices, adopt effective facilitative laws and regulations, utilize~~ **appropriate legislative, administrative and other measures for implementation with regard to economic, social and cultural rights, take measures to** the maximum of their available resources ~~to ensure implementation, and, work in close consultation with organizations representing~~ **where needed, within the framework of international cooperation, with a view to achieving progressively the full realization of those rights, and closely consult with and actively involve** persons with disabilities, **including children with disabilities, through their representative organizations,**

(India)

Amend to read as follows:

(3) *Underscoring* that the CRPD requires States Parties to ~~integrate~~ **take into account** the **protection and promotion of the human** rights of persons with disabilities ~~into~~ in all policies and programmes, eliminate discriminatory laws and practices, adopt effective facilitative laws and regulations, utilize the maximum of their available resources to ensure implementation, and work in close consultation with organizations representing persons with disabilities,

(Russian Federation)

Amend to read as follows:

(3) *Underscoring* that the CRPD requires States Parties to integrate the rights of persons with disabilities into all policies and programmes, eliminate discriminatory laws and practices, **ensure accessibility, provide reasonable accommodations,** adopt effective facilitative laws and regulations, utilize the maximum of their available resources to ensure implementation, and work in close consultation with organizations representing persons with disabilities,

(Germany)

Amend to read as follows:

(3) *Underscoring* that the CRPD requires States Parties to integrate the rights of persons with disabilities into all policies and programmes, eliminate discriminatory laws and practices, adopt effective facilitative laws and regulations, utilize the maximum of their available resources to ensure implementation, and work in close consultation with organizations representing persons with disabilities, **thereby promoting their empowerment as active agents of social, economic, cultural and political development,**

(Indonesia)

New preambular paragraph 3bis

Add a new paragraph after preambular paragraph 3 to read as follows:

(3bis) *Noting* the relevant UN resolutions, initiatives and guidance documents, including the UN Disability Inclusion Strategy, UN General Assembly resolution 80/197 (2025) on *Implementation of the Convention on the Rights of Persons with Disabilities and the Optional Protocol thereto: amplified barriers in diverse contexts*, and UN Human Rights Council resolution 58/22 (2025) on *The impact of anti-personnel mines on the full enjoyment of all human rights*,

(Azerbaijan)

New preambular paragraphs 3bis and 3ter

Add two new paragraphs after preambular paragraph 3 to read as follows:

(3bis) *Underscoring also* that the CRPD requires States Parties to ensure close consultation with, and the active involvement of, persons with disabilities, including children with disabilities, through their representative organizations, in the development and implementation of legislation and policies, as well as in all decision-making processes affecting their rights and well-being,

(3ter) **Recalling that the CRPD obliges States Parties to recognize the legal capacity of persons with disabilities on an equal basis with others and to provide access to support in exercising that capacity, thereby facilitating their full and effective participation in political, public and community life and in decision-making processes concerning matters that affect them,**

(South Africa)

Preambular paragraph 4

Amend to read as follows:

(4) *Expressing concern* that, despite near-universal ratification of the CRPD, persons with disabilities continue to face significant structural barriers and discrimination, ~~including in the context of education, healthcare, employment, social protection, access to justice, political participation, digital services and independent living, owing in part to the absence of effective implementing as a result of multiple and context-specific factors, including persistent stigma and discriminatory attitudes, inaccessible environments and services, capacity and data gaps and, where applicable, gaps in policies, laws, regulations and strategies at the national level, as well as to limited or non-existent legislation, budgetary allocations, and oversight on and enforcement,~~

(Viet Nam)

Amend to read as follows:

(4) *Expressing concern* that, despite near-universal ratification of the CRPD, persons with disabilities continue to face significant structural barriers and discrimination, including ~~in the context of education, healthcare, employment, social protection, access to justice, political participation, digital services and independent living, owing in part to~~ **gaps in the absence of effective implementing implementation of** policies, laws, regulations and strategies at the national level, as well as to ~~limited or non-existent budgetary allocations~~ **insufficient resources** and oversight on ~~enforcement in many contexts,~~

(India)

Amend to read as follows:

(4) *Expressing concern* that, despite near-universal ratification of the CRPD, persons with disabilities continue to face significant structural barriers and discrimination, including in the context of education, healthcare, employment, social protection, access to justice, political participation, digital services, **transportation, public buildings and public spaces,** and independent living, owing in part to ~~the absence~~ **gaps in the development and monitoring** of effective implementing policies, laws, regulations and strategies at the national level, as well as to limited or non-existent budgetary allocations and oversight on enforcement, **and to the persistence of stigma, prejudice, harmful stereotypes, beliefs and practices that undermine the rights, dignity and participation of persons with disabilities, particularly women and girls with disabilities,**

(South Africa)

Amend to read as follows:

(4) *Expressing concern* that, despite near-universal ratification of the CRPD, persons with disabilities continue to face significant structural barriers and discrimination, including in the context of education, healthcare, employment, social protection, access to justice, political participation, digital services and independent living, owing in part to the absence of effective implementing policies, laws, regulations and strategies at the national level, as well as to limited or non-existent budgetary allocations and oversight on enforcement, **and recognizing national differences in terms of circumstances, priorities, legal frameworks, resource availability and implementation capacities,**

(Cambodia)

Amend to read as follows:

(4) *Expressing concern* that, despite near-universal ratification of the CRPD, persons with disabilities continue, **in some contexts**, to face significant structural barriers and discrimination, including in the context of education, healthcare, employment, social protection, access to justice, political participation, digital services and independent living, owing in part to the absence of effective implementing policies, laws, regulations and strategies at the national level, as well as to limited or non-existent budgetary allocations and oversight on enforcement, **taking into account different national circumstances and available resources**,

(Saudi Arabia)

Amend to read as follows:

(4) *Expressing concern* that, despite near-universal ratification of the CRPD, persons with disabilities continue to face significant structural barriers and discrimination, including in the context of education, healthcare, employment, social protection, access to justice, political participation, digital services and independent living, owing in part to the absence of effective implementing policies, laws, regulations and strategies at the national level, as well as to limited or non-existent budgetary allocations and oversight on enforcement, **all of which undermine social cohesion, equality of opportunity and inclusive development**,

(Indonesia)

New preambular paragraph 4bis

Add a new paragraph after preambular paragraph 4 to read as follows:

(4bis) **Recognizing that persons with disabilities are equal members of society and an important force driving the progress of human civilization, that they are fully capable of making, and determined to make, significant contributions to human society, that the people must be put first, that humanitarianism must be vigorously championed, and that more opportunities must be created for the development of persons with disabilities, enabling them to lead fulfilling lives and ensuring that their equal rights are better safeguarded and that they share the fruits of economic and social development**,

(China)

Preambular paragraph 5

Delete preambular paragraph

(Saudi Arabia)

Amend to read as follows:

(5) ~~*Acknowledging that rights often remain unfulfilled aspirations in the absence*~~ **importance** of adequate budgetary allocations ~~*resources*~~ and reliable, up-to-date and **appropriately** disaggregated data **for the progressive realization of the rights of persons with disabilities**,

(India)

Amend to read as follows:

(5) *Acknowledging* that rights often remain unfulfilled aspirations in the absence of adequate budgetary allocations and reliable, up-to-date and disaggregated data, **and that evidence-based parliamentary decision-making depends on the availability of such data to identify gaps, monitor progress and guide public investment**,

(Indonesia)

Amend to read as follows:

(5) *Acknowledging* that rights often remain unfulfilled aspirations in the absence of adequate budgetary allocations, ~~and~~ reliable, up-to-date and disaggregated data, **effective institutional coordination, meaningful participation of persons with disabilities and their representative organizations, and robust oversight, accountability and enforcement mechanisms**,

(South Africa)

Preambular paragraph 6

Replace the existing text of preambular paragraph 6 with the following:

(6) **Noting that States Parties shall closely consult with and actively involve persons with disabilities, including children with disabilities, through their representative organizations, in the development and implementation of legislation and policies and in other decision-making processes concerning issues relating to persons with disabilities,**

(Russian Federation)

Amend to read as follows:

(6) **Noting that the principle of “nothing about us, without us” constitutes a fundamental democratic and legal principle that requires underscores the importance of the meaningful, regular and effective participation of persons with disabilities in decision-making processes,**

(India)

Amend to read as follows:

(6) **Noting that “nothing about us, without us” constitutes a fundamental democratic human rights and legal principle that requires the meaningful, regular and effective participation of persons with disabilities in decision-making processes,**

(Saudi Arabia)

Amend to read as follows:

(6) **Noting that “nothing about us, without us” constitutes a fundamental democratic and legal principle that requires the meaningful, regular and effective participation of persons with disabilities in decision-making processes, for example through their representative organizations,**

(Germany)

New preambular paragraph 6bis

Add a new paragraph after preambular paragraph 6 to read as follows:

(6bis) **Emphasizing that the effective participation of persons with disabilities in decision-making processes, based on the principle of “nothing about us, without us”, provides decision-making bodies with a deep understanding of the needs of persons with disabilities and of challenges and barriers they face;**

(South Sudan)

Preambular paragraph 7

Amend to read as follows:

(7) **Recognizing that, among persons with disabilities in all their diversity, those who are particularly women and girls, children and young persons, children, older persons, persons living in rural areas, persons living or in poverty, persons affected by conflict and disasters, and persons with psychosocial disabilities, or persons in other vulnerable or marginalized situations, may face experience multiple and intersecting forms of discrimination arising from age, sex, gender, type of disability, socioeconomic status, geographic location and other personal or situational circumstances,**

(Malaysia)

Amend to read as follows:

(7) **Recognizing that, among persons with disabilities, those who are women, young persons, children, older persons, persons living in rural areas, persons living in poverty, or persons affected by conflict and disasters, including those injured by landmines and other explosive remnants of war, as well as persons with psychosocial disabilities, or persons in other vulnerable or marginalized situations, may face multiple and intersecting forms of discrimination,**

(Azerbaijan)

Amend to read as follows:

(7) *Recognizing* that, among persons with disabilities, those who are women, young persons, children, older persons, persons living in rural areas, persons living in poverty, persons affected by conflict and disasters, persons with psychosocial disabilities, **persons belonging to ethnic, national, religious or linguistic minorities, Indigenous persons, migrants and refugees, lesbian, gay, bisexual, transgender and intersex persons**, or persons in other vulnerable or marginalized situations, may face multiple and intersecting forms of discrimination,
(Lithuania)

New preambular paragraph 7bis

Add a new paragraph after preambular paragraph 7 to read as follows:

(7bis) *Recognizing also* that early identification, early intervention and inclusive family and community-based support are essential to ensuring the rights, development and well-being of children with disabilities,
(Lithuania)

Add a new paragraph after preambular paragraph 7 to read as follows:

(7bis) *Recognizing also* that women and girls with disabilities may face heightened and intersecting risks of gender-based violence and particular barriers to healthcare, bodily autonomy, access to justice, economic independence, and political and public participation,
(Malaysia)

New preambular paragraphs 7bis and 7ter

Add two new paragraphs after preambular paragraph 7 to read as follows:

(7bis) *Recognizing also* that armed conflicts and humanitarian emergencies may: exacerbate the inequalities faced by persons with disabilities; lead to the emergence of new disabilities; disrupt healthcare, rehabilitation and psychosocial support services; result in the loss of assistive devices and technologies; and complicate access to humanitarian assistance, protection and essential services,

(7ter) *Emphasizing* that the protection of the rights of persons with disabilities during armed conflicts and humanitarian crises should not be limited to emergency response, but must extend to conflict prevention, peacebuilding, reconstruction and recovery efforts, thereby ensuring that the needs of persons with disabilities are not overlooked across all stages of crisis response and beyond,
(Bahrain)

Preambular paragraph 8

Amend to read as follows:

(8) *Recognizing* also that young persons with disabilities encounter particular barriers in education, employment, political participation and digital accessibility, and that psychosocial disabilities and mental health conditions are becoming an increasingly pressing reality among young people **may require age-appropriate and accessible support**,
(India)

Amend to read as follows:

(8) *Recognizing also* that, **in some contexts**, young persons with disabilities encounter particular barriers in education, employment, political participation and digital accessibility, and that psychosocial disabilities and mental health conditions are becoming an increasingly pressing reality among young people,
(Saudi Arabia)

Amend to read as follows:

(8) *Recognizing also* that young persons with disabilities encounter particular barriers in education, **specialized vocational training**, employment, political participation and digital accessibility, and that psychosocial disabilities and mental health conditions are becoming an increasingly pressing reality among young people,

(Chad)

Amend to read as follows:

(8) *Recognizing also* that young persons with disabilities encounter particular barriers in education, employment, political participation and digital accessibility, **which are compounded by inadequate physical accessibility of infrastructure, public buildings, public spaces and services**, and **recognizing further** that psychosocial disabilities and mental health conditions are becoming an increasingly pressing reality among young people, **requiring targeted and inclusive policy responses**,

(South Africa)

Amend to read as follows:

(8) *Recognizing also* that young persons with disabilities encounter particular barriers in education, employment, political participation and digital accessibility, and that psychosocial disabilities and mental health conditions are becoming an increasingly pressing reality among young people, **highlighting the need for targeted measures to empower young persons with disabilities as future leaders and contributors to development**,

(Indonesia)

Preambular paragraph 9

Amend to read as follows:

(9) *Noting that the political representation of persons with disabilities is essential for democratic legitimacy and inclusive and effective decision-making* **can participate effectively and fully in political and public life on an equal basis with others, directly or through freely chosen representatives, including the right and opportunity for persons with disabilities to vote and to be elected**, but that persistent legal, physical, digital, economic and societal barriers limit the ability of such persons to vote, stand for election, campaign, participate in political parties, access parliamentary premises and resources, and exercise elected office, and that women with disabilities in particular may face multiple layers of discrimination,

(Russian Federation)

Amend to read as follows:

(9) *Noting that the political representation of persons with disabilities*, **where such persons have the necessary capability**, is essential for democratic legitimacy and inclusive and effective decision-making, but that persistent legal, physical, digital, economic and societal barriers limit the ability of such persons to vote, stand for election, campaign, participate in political parties, access parliamentary premises and resources, and exercise elected office, and that women with disabilities in particular may face multiple layers of discrimination,

(Saudi Arabia)

Amend to read as follows:

(9) *Noting that the political representation of persons with disabilities is essential for democratic legitimacy and inclusive and effective decision-making*, but that persistent legal, physical, **sensory, communication**, digital, economic and societal barriers limit the ability of such persons to vote, stand for election, campaign, participate in political parties, access parliamentary premises and resources, and exercise elected office, and that women with disabilities in particular may face multiple layers **and intersecting forms** of discrimination,

(South Africa)

Preambular paragraph 10

Amend to read as follows:

(10) *Acknowledging* that parliaments have a responsibility to ensure **an important role to play in promoting the effective and equal participation and** representation of persons with disabilities and to ~~integrate~~ **in integrating** issues affecting such persons into all sectoral **relevant** policies and laws, into budgetary allocations and into parliamentary oversight activities,

(India)

Amend to read as follows:

(10) *Acknowledging* that parliaments have a responsibility to ensure the ~~equal~~ **effective** representation of persons with disabilities and to integrate issues affecting such persons into all sectoral policies and laws, into budgetary allocations and into parliamentary oversight activities,

(Japan)

Amend to read as follows:

(10) *Acknowledging* that parliaments have a responsibility to ensure the ~~equal~~ **adequate** representation of persons with **different** disabilities and to integrate issues affecting such persons into all sectoral policies and laws, into budgetary allocations and into parliamentary oversight activities,

(Switzerland)

Amend to read as follows:

(10) *Acknowledging* that parliaments have a responsibility to ensure the equal representation **and meaningful participation** of persons with disabilities, **including through consultation with their representative organizations**, and to integrate issues affecting such persons into all sectoral policies and laws, into budgetary allocations and into parliamentary oversight activities,

(South Africa)

Amend to read as follows:

(10) *Acknowledging* that parliaments have a responsibility to ensure the equal representation of persons with disabilities and to integrate issues affecting such persons into all sectoral policies and laws, into budgetary allocations and into parliamentary oversight activities, **and recognizing that parliaments are uniquely positioned to advance disability-inclusive social development through their legislative, representative and oversight functions**,

(Indonesia)

New preambular paragraph 10bis

Add a new paragraph after preambular paragraph 10 to read as follows:

(10bis) **Noting that the vulnerability of persons with disabilities results in the exploitation of such persons in most major cities;**

(Chad)

Add a new paragraph after preambular paragraph 10 to read as follows:

(10bis) **Recognizing that social development cannot be achieved without the full, equal and meaningful participation of persons with disabilities in all spheres of life, and that empowering persons with disabilities contributes to stronger economies, more inclusive societies, democratic resilience and sustainable development outcomes,**

(Indonesia)

Preambular paragraph 11

Amend to read as follows:

(11) *Noting* that digital technologies, artificial intelligence and assistive technologies offer significant opportunities for persons with disabilities, while also posing risks of new forms of exclusion **and discrimination**,

(South Africa)

Amend to read as follows:

(11) *Noting* that digital technologies, artificial intelligence and assistive technologies offer significant opportunities for persons with disabilities, while also posing risks of new forms of exclusion, **necessitating in-depth study of the new forms of physical and mental disability linked to addiction to modern technology, particularly among children and adolescents,**

(Bahrain)

Amend to read as follows:

(11) *Noting* that digital technologies, artificial intelligence and assistive technologies offer significant opportunities for persons with disabilities, while also posing risks of new forms of exclusion, **and emphasizing the importance of ensuring accessibility, affordability and digital literacy so that technological innovation contributes to empowerment and inclusion rather than widening inequalities,**

(Indonesia)

Preambular paragraph 12

Amend to read as follows:

(12) *Emphasizing* that persons with disabilities are disproportionately affected by situations of risk, including situations of armed conflict, **unilateral coercive measures,** humanitarian emergencies and the occurrence of natural disasters, especially in the context of climate change, and that disability inclusion should constitute a core component of policies on disaster risk reduction, humanitarian action and crisis management,

(Iran (Islamic Republic of))

Amend to read as follows:

(12) *Emphasizing* that persons with disabilities are disproportionately affected by situations of risk, including situations of armed conflict, **terrorism,** humanitarian emergencies and the occurrence of natural disasters, especially in the context of climate change, and that disability inclusion should constitute a core component of policies on disaster risk reduction, humanitarian action and crisis management,

(Burkina Faso)

Amend to read as follows:

(12) *Emphasizing* that persons with disabilities are disproportionately affected by situations of risk, including situations of armed conflict, humanitarian emergencies and the occurrence of natural disasters, especially in the context of climate change, and that disability inclusion should constitute a core component of policies on disaster risk reduction, humanitarian action, ~~and~~ crisis management **and post-conflict recovery and reconstruction,**

(South Africa)

Amend to read as follows:

(12) *Emphasizing* that persons with disabilities are disproportionately affected by situations of risk, including situations of armed conflict, humanitarian emergencies and the occurrence of natural disasters, especially in the context of climate change, and that disability inclusion should constitute a core component of policies on disaster risk reduction, humanitarian action and crisis management, **emphasizing also States' obligations under international humanitarian law and international human rights law, including under Article 11 of the CRPD, to take all necessary measures to ensure the protection and safety of persons with disabilities in situations of armed conflict, and expressing deep alarm at the proliferation and indiscriminate use of heavy explosive weapons, air-delivered munitions and cluster munitions in and near civilian-populated areas, resulting in widespread civilian casualties and causing severe, life-altering physical and psychosocial disabilities,**

(Cambodia)

Amend to read as follows:

(12) *Emphasizing* that persons with disabilities are disproportionately affected by situations of risk, including situations of armed conflict, humanitarian emergencies and the occurrence of natural disasters, especially in the context of climate change, and that disability inclusion should constitute a core component of policies on disaster risk reduction, humanitarian action and crisis management, **consistent with the objective of building resilient societies that leave no one behind,**

(Indonesia)

New preambular paragraphs 12bis and 12ter

Add two new paragraphs after preambular paragraph 12 to read as follows:

(12bis) *Recognizing* that armed conflict, including wars of aggression and the unlawful use of force, is a major cause of acquired disability among both civilian populations and military personnel, generating large cohorts of persons – including veterans, and survivors of attacks on civilian and critical infrastructure – who acquire physical, sensory, intellectual and psychosocial disabilities, and placing long-term demands on health, rehabilitation, social protection and reconstruction systems,

(12ter) *Recognizing* that displaced persons with disabilities, whether displaced internally, or externally as refugees, face heightened protection risks and compounded barriers, including the loss or abandonment of, or damage to, assistive devices, as well as the interruption of healthcare, rehabilitation and support services, and obstacles to registration, documentation, accessible information and humanitarian assistance, and are at particular risk of family separation,

(Ukraine)

Preambular paragraph 13

Amend to read as follows:

(13) *Recognizing* that, **due to compounded forms of discrimination and harmful social norms**, caregiving responsibilities in many countries fall disproportionately on women and girls, and that strengthening approaches centred on independent living, community-based support services, personal assistance and accessible public services both upholds the autonomy of persons with disabilities and reduces the burden of unpaid care,

(Azerbaijan)

Amend to read as follows:

(13) *Recognizing* that caregiving responsibilities in many countries fall disproportionately on women and girls, and that strengthening approaches centred on independent living, community-based support services, personal assistance, **respite care, caregiver support and social protection**, and accessible public services both upholds the autonomy of persons with disabilities and reduces the burden of unpaid care,

(South Africa)

Amend to read as follows:

(13) *Recognizing* that caregiving responsibilities in many countries fall disproportionately on women and girls, and that strengthening approaches centred on independent living, community-based support services, personal assistance and accessible public services both upholds the autonomy of persons with disabilities and reduces the burden of unpaid care, **while fostering their social and economic empowerment and participation in community life,**

(Indonesia)

New preambular paragraph 13bis

Add a new paragraph after preambular paragraph 13 to read as follows:

(13bis) *Expressing concern* that women and girls with disabilities are disproportionately exposed to gender-based violence, abuse and exploitation, including within institutional and domestic settings, and that they continue to face barriers in accessing sexual and reproductive health services and in exercising their reproductive rights on an equal basis with others,

(Lithuania)

Preambular paragraph 14

Move preambular paragraph 14 to precede preambular paragraph 1

(South Sudan)

OPERATIVE

Operative paragraph 1

Amend to read as follows:

1. *Urges* parliaments to use their legislative, budgetary, oversight and representative functions, **within their respective constitutional and legal frameworks**, to translate ~~CRPD the~~ obligations **of their States under the CRPD** into tangible laws and policies that promote, protect and ensure the rights and empowerment of persons with disabilities;

(Saudi Arabia)

Amend to read as follows:

1. *Urges* parliaments to use their legislative, budgetary, oversight and representative functions to ~~translate~~ **support the implementation of** CRPD obligations ~~into~~ **through** tangible laws and policies, **or through other appropriate measures in accordance with national circumstances**, that promote, protect and ensure the rights and empowerment of persons with disabilities;

(Sweden)

Amend to read as follows:

1. *Urges* parliaments to use their legislative, budgetary, oversight and representative functions to translate CRPD obligations into tangible laws and policies that promote, protect and ensure the rights and empowerment of persons with disabilities, **in accordance with their respective constitutions, national circumstances and priorities**;

(Viet Nam)

Amend to read as follows:

1. *Urges* parliaments to use their legislative, budgetary, oversight and representative functions to translate CRPD obligations into tangible laws and policies that promote, protect and ensure the rights and empowerment of persons with disabilities, **and to develop monitoring mechanisms to ensure that CRPD obligations are implemented and that domestic laws and national political actions do not contravene the CRPD**;

(Finland)

Amend to read as follows:

1. *Urges* parliaments to use their legislative, budgetary, oversight and representative functions to translate CRPD obligations into tangible laws and policies that promote, protect and ensure the rights and empowerment of persons with disabilities, **with particular attention to the situation of women and girls with disabilities**;

(France)

Amend to read as follows:

1. *Urges* parliaments to use their legislative, budgetary, oversight and representative functions to translate CRPD obligations into tangible laws and policies that promote, protect and ensure the rights and empowerment of persons with disabilities, **and to mainstream disability inclusion across all areas of public policy as a prerequisite for achieving social development for all**;

(Indonesia)

Amend to read as follows:

1. *Urges* parliaments to use their legislative, budgetary, oversight and representative functions to translate CRPD obligations into tangible laws and policies that promote, protect and ensure the rights and empowerment of persons with disabilities, **to prevent and address discrimination, harmful practices, stigma and exclusion, and to ensure the meaningful participation of persons with disabilities in decision-making processes affecting them**;

(South Africa)

New operative paragraph 1bis

Add a new paragraph after operative paragraph 1 to read as follows:

- 1bis. Calls upon parliaments to ensure effective access to justice for persons with disabilities, including through procedural and age-appropriate accommodations, accessible legal information and legal aid, accessible complaint mechanisms, and appropriate training for judicial and law-enforcement personnel, within their respective constitutional and legal frameworks;**

(Saudi Arabia)

Operative paragraph 2

Amend to read as follows:

2. ~~Calls upon all parliamentarians to advocate strongly for the full inclusion of persons with disabilities in society, to raise public awareness of this issue by adopting the necessary laws and policies and to contribute to changing societal attitudes regarding persons with disabilities~~ **directing executive authorities to execute these functions;**

(Saudi Arabia)

Amend to read as follows:

2. ~~Calls upon all parliamentarians to advocate strongly for the full inclusion of persons with disabilities in society, to raise public awareness of this issue~~ **their rights and capabilities and to contribute to changing societal attitudes regarding persons with disabilities, and to support the adoption and implementation of policies and strategies that remove barriers to participation, combat discrimination and promote accessibility and inclusion;**

(South Africa)

Amend to read as follows:

2. ~~Calls upon all parliamentarians to advocate strongly for the full inclusion of persons with disabilities in society, to raise public awareness of this issue and to contribute to changing societal attitudes regarding persons with disabilities,~~ **in line with a rights-based approach;**

(Viet Nam)

Amend to read as follows:

2. ~~Calls upon all parliamentarians to advocate strongly for the full inclusion of persons with disabilities in society, to raise public awareness of this issue and to contribute to changing societal attitudes regarding persons with disabilities,~~ **including the stereotypes to which women with disabilities are subjected;**

(France)

New operative paragraph 2bis

Add a new paragraph after operative paragraph 2 to read as follows:

- 2bis. Invites parliaments to adopt or supplement legislation guaranteeing civilian and military victims of terrorism and armed conflict who have acquired disabilities a specific legal status and effective rights;**

(Burkina Faso)

Add a new paragraph after operative paragraph 2 to read as follows:

- 2bis. 12. *Further calls upon* parliaments to: ensure the rights of persons with disabilities to decent work are realized, including through the duty to provide reasonable accommodations and adopt anti-discrimination policies; and develop measures such as employment quotas, paid internship programmes, mentoring opportunities and entrepreneurship support schemes, **including school-to-work transition programmes for young persons with disabilities;**

(Lithuania)

Amend to read as follows:

12. *Further calls upon* parliaments to: ensure the rights of persons with disabilities to decent work are realized, including through the duty to provide reasonable accommodations and adopt anti-discrimination policies; ~~and~~ develop measures such as employment quotas, paid internship programmes, mentoring opportunities and entrepreneurship support schemes; **strengthen access to technical and vocational training; and promote employment opportunities in both the public and private sectors;**

(South Africa)

Amend to read as follows:

12. *Further calls upon* parliaments to: ensure the rights of persons with disabilities to decent work are realized, including through the duty to provide reasonable accommodations and adopt anti-discrimination policies; ~~and~~ develop measures such as employment quotas, paid internship programmes, mentoring opportunities and entrepreneurship support schemes; **and support the socioeconomic reintegration and return to work of persons who acquire disabilities, including in the context of conflict, through vocational rehabilitation, retraining and reasonable accommodations;**

(Ukraine)

Amend to read as follows:

12. *Further calls upon* parliaments to: ensure the rights of persons with disabilities to decent work are realized, including through the duty to provide reasonable accommodations and adopt anti-discrimination policies; **ensure equal rights and non-discrimination for persons with disabilities in recruitment, employment selection and remuneration; provide supportive policies and measures for vocational training, access to finance and credit for job creation and entrepreneurship; expand accessible and inclusive employment opportunities, including suitable remote and flexible working arrangements for persons with disabilities;** and develop measures such as employment quotas, paid internship programmes, mentoring opportunities and entrepreneurship support schemes;

(Viet Nam)

Amend to read as follows:

12. *Further calls upon* parliaments to: ensure the rights of persons with disabilities to decent work are realized, including through the duty to provide reasonable accommodations and adopt anti-discrimination policies; and develop measures such as employment quotas, paid internship programmes, mentoring opportunities and entrepreneurship support schemes, **with particular attention to supporting young persons with disabilities in their transition to sustainable employment and financial independence, as well as to providing appropriate psychological and mental health support in the workplace;**

(Forum of Young Parliamentarians)

New operative paragraph 12bis

Add a new paragraph after operative paragraph 12 to read as follows:

- 12bis. ***Calls upon* parliaments to promote participation in physical, sporting and recreational activities for all persons with disabilities, in accordance with Article 30 of the CRPD, by making sports facilities accessible, ensuring financial support for disability sport and inclusive sport clubs and programmes, and preserving the legacy of major international Paralympic events;**

(France)

New operative paragraphs 12bis and 12ter

Add two new paragraphs after operative paragraph 12 to read as follows:

- 12bis. Encourages** parliaments to support the active participation of persons with disabilities and their representative organizations in peacebuilding, reconstruction and post-conflict decision-making efforts, recognizing that peace and community rebuilding cannot be inclusive and sustainable unless the rights and needs of all segments of society are taken into account;
- 12ter. Also urges** parliaments to strengthen accountability for any violations or discriminatory practices that, in the context of armed conflicts and humanitarian crises, deprive persons with disabilities of protection, assistance or essential services, ensuring full compliance with international human rights law and international humanitarian law, particularly in regions across the Middle East devastated by genocide and civil war, as well as in areas most susceptible to acts of terrorism and crime;

(Bahrain)

Operative paragraph 13

Amend to read as follows:

13. Urges parliaments to ~~ensure that~~ **promote universal design and accessibility by design in** artificial intelligence and digital technologies ~~are accessible, and to ensure that their development, procurement and deployment are~~ inclusive, non-discriminatory and fully consistent with the principles of equality and human dignity, while reinforcing appropriate safeguards, effective **human** oversight and accountability mechanisms to prevent unethical, discriminatory, exclusionary or **otherwise** harmful outcomes;

(Cambodia)

Amend to read as follows:

13. Urges parliaments to **establish and strengthen legislative, regulatory and oversight frameworks to** ensure that artificial intelligence and digital technologies are accessible, inclusive, non-discriminatory and fully consistent with the principles of equality and human dignity, ~~while reinforcing~~ **and to promote** effective oversight and accountability mechanisms to prevent unethical, discriminatory, exclusionary or harmful outcomes **affecting persons with disabilities**;

(South Africa)

Amend to read as follows:

13. Urges parliaments to ensure that artificial intelligence and digital technologies, **products and services** are accessible ~~inclusive, non-discriminatory and fully consistent with the principles of equality and human dignity~~ **appropriate to the abilities and physical conditions of persons with disabilities, and to ensure the right of such persons to access information, knowledge and skills related to digital transformation, digital systems and digital services**, while reinforcing effective oversight and accountability mechanisms to prevent unethical, discriminatory, exclusionary or harmful outcomes **arising from the use of artificial intelligence and digital technologies**;

(Viet Nam)

Amend to read as follows:

13. Urges parliaments to ensure that artificial intelligence and digital technologies are accessible, inclusive, non-discriminatory and fully consistent with the principles of equality and human dignity, **including by promoting accessibility by design and involving persons with disabilities in the design and evaluation of algorithms**, while reinforcing effective oversight and accountability mechanisms to prevent unethical, discriminatory, exclusionary or harmful outcomes;

(France)

Amend to read as follows:

13. *Urges* parliaments to ensure that artificial intelligence and digital technologies are accessible, inclusive, non-discriminatory and fully consistent with the principles of equality and human dignity, while reinforcing effective oversight and accountability mechanisms to prevent unethical, discriminatory, exclusionary or harmful outcomes, **and promoting universal digital accessibility as a means of enhancing participation, independence and equal opportunity;**

(Indonesia)

Operative paragraph 14

Replace the existing text of operative paragraph 14 with the following:

14. ***Calls upon* parliaments, through legislation, budgetary allocations and parliamentary oversight, to ensure that national and local civil protection, disaster risk reduction and emergency preparedness systems, including in the context of conflicts, humanitarian crises and climate change, are inclusive of persons with disabilities and developed in close consultation with their representative organizations, including through: accessible early warning and information, evacuation, shelters and transport; continuity of essential support services; and the regular testing of preparedness measures with the participation of persons with disabilities;**

(Latvia)

Amend to read as follows:

14. *Calls upon* parliaments to integrate the needs of persons with disabilities into, **and to ensure the meaningful participation of such persons and their representative organizations in the development, implementation and monitoring of**, national policies relating to disasters, conflicts, humanitarian crises **and emergencies**, and climate change, including through accessible evacuation plans **and procedures**, early warning systems, **shelters, humanitarian assistance, recovery programmes** and protection mechanisms;

(Cambodia)

Amend to read as follows:

14. *Calls upon* parliaments to integrate the **comprehensive** needs of persons with disabilities into national policies, **programmes and projects** relating to disasters, conflicts, humanitarian crises, ~~and~~ climate change **and other non-traditional security issues**, including through accessible evacuation plans, early warning systems and protection mechanisms;

(Viet Nam)

Amend to read as follows:

14. *Calls upon* parliaments to integrate the needs of persons with disabilities into national policies relating to disasters, conflicts, humanitarian crises and climate change, **in accordance with UN Security Council resolution 2475 (2019)**, including through accessible evacuation plans, early warning systems and protection mechanisms;

(France)

Amend to read as follows:

14. *Calls upon* parliaments to integrate the needs of persons with disabilities into national policies relating to disasters, conflicts, humanitarian crises and climate change, including through accessible evacuation plans, early warning systems and protection mechanisms, **and through the meaningful participation of persons with disabilities in preparedness, response, recovery and resilience-building efforts;**

(Indonesia)

Amend to read as follows:

14. *Calls upon* parliaments to integrate the needs of persons with disabilities into national policies relating to disasters, conflicts, humanitarian crises and climate change, including through accessible evacuation plans, early warning systems and protection mechanisms, **and to ensure the inclusion of such persons in humanitarian response, recovery and reconstruction efforts, climate adaptation strategies, livelihood restoration programmes and peacebuilding initiatives;**

(South Africa)

Amend to read as follows:

14. *Calls upon* parliaments to integrate the needs of persons with disabilities into national policies relating to disasters, conflicts, humanitarian crises and climate change, including through accessible evacuation plans, early warning systems, ~~and~~ protection mechanisms, **accessible shelters and protective infrastructure, and continuity of healthcare, rehabilitation and supply of assistive devices during emergencies;**

(Ukraine)

Amend to read as follows:

14. *Calls upon* parliaments to integrate the needs of persons with disabilities into national policies relating to disasters, conflicts, humanitarian crises and climate change, including through accessible evacuation plans, early warning systems and protection mechanisms, **taking into account the specific needs of young persons with disabilities in these contexts;**

(Forum of Young Parliamentarians)

New operative paragraphs 14bis and 14ter

Add two new paragraphs after operative paragraph 14 to read as follows:

- 14bis. Urges parliaments to advance these efforts, particularly in conflict-affected and post-conflict situations, by supporting comprehensive mine action programmes, including demining and the clearance of unexploded ordnance, cluster munition remnants and explosive remnants of war, as well as by supporting mine-risk education and sustainable, age- and gender-sensitive, community-based victim assistance integrating healthcare, physical rehabilitation, psychosocial support and socioeconomic reintegration, also urges parliaments to condemn any attacks on, or forced closure or destruction of, civilian medical centres, hospitals and rehabilitation facilities in violation of international humanitarian law, and calls upon parliaments to uphold accountability, verify compliance with ceasefires and international humanitarian law, and support the right of civilians displaced by armed hostilities to return safely and with dignity to homes free from explosive hazards;**

- 14ter. Calls upon** international partners, multilateral development banks and donor agencies to enhance financial, technical and capacity-building assistance for developing and post-conflict countries, including through the transfer of accessible technologies, funding for victim assistance programmes, and investments in resilient infrastructure, in line with Article 32 of the CRPD and national development priorities;

(Cambodia)

New operative paragraphs 14bis and 14ter

Add two new paragraphs after operative paragraph 14 to read as follows:

- 14bis. Urges parliaments to integrate disability inclusion into national development strategies, poverty eradication programmes and social development frameworks, recognizing that the full participation and empowerment of persons with disabilities contribute to stronger economies, more cohesive societies and sustainable development outcomes;**

- 14ter. **Encourages** parliaments to promote disability-inclusive social protection systems, including access to healthcare, rehabilitation services, community-based support, income security and independent living arrangements, with particular attention to persons with disabilities facing multiple and intersecting forms of discrimination;

(Indonesia)

New operative paragraphs 14bis, 14ter and 14quater

Add three new paragraphs after operative paragraph 14 to read as follows:

- 14bis. **Affirms** the obligation of a State responsible for internationally wrongful acts, including serious violations of international humanitarian law and international human rights law, to make full reparation for the injury caused, and *also affirms* that persons who acquire disabilities as a result of such violations should have effective access to remedies, rehabilitation and compensation, including through internationally established compensation mechanisms;

- 14ter. **Calls upon** parliaments to ensure that persons with disabilities who are internally displaced or who are refugees enjoy full and equal access to accessible humanitarian assistance, protection, healthcare, rehabilitation and the replacement of assistive devices, are included in registration and data systems on an equal basis with others, and are supported in achieving durable solutions, including voluntary, safe and dignified return;

- 14quater. **Condemns** the unlawful forcible transfer and deportation of persons with disabilities, including children, from their families, communities or places of habitual residence, in particular in situations of armed conflict or occupation, as a grave violation of international law, including international humanitarian law, and *urges* parliaments and the international community to take all measures within their power to secure the immediate cessation of such practices and the safe return and reunification of such persons with their families and communities, without delay;

(Ukraine)

Operative paragraph 15

Amend to read as follows:

15. **Encourages** IPU Member Parliaments, **within existing rules governing delegation composition and size**, to ~~include facilitate the inclusion of~~ parliamentarians with disabilities in IPU meetings and international parliamentary delegations, and to provide ~~for the inclusion of parliamentarians with disabilities beyond existing delegation size limits in order to ensure the presence of disability perspectives~~ **reasonable accommodation and accessibility measures as required**;

(India)

Amend to read as follows:

15. **Encourages** IPU Member Parliaments to include parliamentarians with disabilities in IPU meetings and international parliamentary delegations, and to provide for the inclusion of parliamentarians with disabilities ~~beyond existing delegation size limits~~ **through appropriate arrangements consistent with applicable IPU rules and procedures**, in order to ensure the presence of disability perspectives;

(Indonesia)

New operative paragraph 15bis

Add a new paragraph after operative paragraph 15 to read as follows:

- 15bis** ***Calls upon** parliaments, the IPU, relevant UN entities and development partners to strengthen international cooperation, capacity-building and technical assistance, upon request and in accordance with nationally determined priorities, with particular attention to the needs of developing countries;*

(Viet Nam)

Operative paragraph 16

Amend to read as follows:

16. *Encourages* parliaments to promote the meaningful participation of parliamentarians with disabilities in international parliamentary cooperation efforts, election observation missions, parliamentary diplomacy activities and, **where appropriate and in accordance with national law and practice**, leadership positions within regional and global parliamentary organizations, ensuring the provision of reasonable accommodations and accessibility measures where required;

(Saudi Arabia)

Operative paragraph 17

Amend to read as follows:

17. *Invites* the IPU, **within its existing mandate, programme of work and available resources**, to: organize regular meetings, thematic workshops, parliamentary networks and regional experience-sharing mechanisms to facilitate the exchange of good practices among Member Parliaments concerning the rights of persons with disabilities; and provide, **upon request**, technical advice and ~~guidance in this field to Member Parliaments upon request~~ **capacity-building support, including by facilitating access to, and the sharing of, accessible and assistive technologies, particularly for developing countries;**

(India)

Amend to read as follows:

17. *Invites* the IPU, **subject to available resources and in accordance with the IPU's programme of work**, to: organize regular meetings, thematic workshops, parliamentary networks and regional experience-sharing mechanisms to facilitate the exchange of good practices among Member Parliaments concerning the rights of persons with disabilities; and provide technical advice and guidance in this field to Member Parliaments upon request;

(Indonesia)

Operative paragraph 18

Amend to read as follows:

18. ~~*Urges*~~ *Invites* the IPU **Governing Council, in consultation with Member Parliaments and within existing governance structures and available resources**, to ~~establish a permanent forum standing committee, partnership group or similar standing institutional mechanism to ensure~~ **consider appropriate arrangements to strengthen** the sustained representation, visibility and participation of persons with disabilities across all areas of the IPU's work, ~~strengthen institutional continuity on disability rights and parliamentary inclusion, assess the implementation of this resolution by national parliaments, support~~ **facilitate** the exchange of good practices and ~~promote the effective participation of persons with disabilities in parliamentary processes~~ **support voluntary reporting by Member Parliaments on the implementation of this resolution.**

(India)

Amend to read as follows:

18. *Urges* the IPU to ~~establish a permanent forum, standing committee, partnership group or similar standing~~ **consider establishing or strengthening an appropriate** institutional mechanism to ensure the sustained representation, visibility and participation of persons with disabilities across all areas of the IPU's work, strengthen institutional continuity on disability rights and parliamentary inclusion, assess the implementation of this resolution by national parliaments, support the exchange of good practices and promote the effective participation of persons with disabilities in parliamentary processes.

(Indonesia)

Amend to read as follows:

18. *Urges* the IPU to ~~establish~~ **consider establishing or designating** a permanent forum, ~~standing committee, partnership group, focal point~~ or similar standing institutional mechanism to ensure the sustained representation, visibility and participation of persons with disabilities across all areas of the IPU's work, strengthen institutional continuity on disability rights and parliamentary inclusion, assess the implementation of this resolution by national parliaments, support the exchange of good practices and promote the effective participation of persons with disabilities in parliamentary processes.

(Czechia)

Amend to read as follows:

18. *Urges* the IPU to establish, **under the authority of the Governing Council**, a ~~permanent forum, standing committee, partnership group or similar standing institutional mechanism~~ **working group on the inclusion of persons with disabilities, in which parliamentarians with disabilities are meaningfully represented**, to ensure the sustained representation, visibility and participation of persons with disabilities across all areas of the IPU's work, strengthen institutional continuity on disability rights and parliamentary inclusion, assess the implementation of this resolution by national parliaments, support the exchange of good practices and promote the effective participation of persons with disabilities in parliamentary processes.

(Switzerland)

Amend to read as follows:

18. *Urges* the IPU to establish a permanent forum, standing committee, partnership group or similar standing institutional mechanism to ensure the sustained representation, visibility and participation of persons with disabilities across all areas of the IPU's work, strengthen institutional continuity on disability rights and parliamentary inclusion, assess the implementation of this resolution by national parliaments, support the exchange of good practices and promote the effective participation of persons with disabilities, **through their representative organizations**, in parliamentary processes.

(Finland)

New operative paragraph 18bis

Add a new paragraph after operative paragraph 18 to read as follows:

- 18bis** *Invites* parliaments to adopt and strengthen specific laws protecting persons with albinism from discrimination, violence, abduction and killings motivated by harmful beliefs and harmful traditional practices.

(Burkina Faso)

Add a new paragraph after operative paragraph 18 to read as follows:

- 18bis** ***Calls upon*** parliaments to ensure that sufficient resources are available for disability organizations to participate in CRPD monitoring and in cooperation with the public administration.

(Finland)

Add a new paragraph after operative paragraph 18 to read as follows:

- 18bis** ***Calls upon*** parliaments to integrate the rights and inclusion of persons with disabilities into international development cooperation, recognizing the adverse impact of poverty and inadequate living conditions on persons with disabilities and, therefore, ***also calls upon*** parliaments to endorse the ***Amman-Berlin Declaration on Global Disability Inclusion***, adopted at the Global Disability Summit 2025, including its target that at least 15% of international development programmes implemented at the country level pursue disability inclusion as an objective.

(Germany)
